# PAST PERFORMANCE

## CONTRACT DESCRIPTIONS

### FULL-STACK SOFTWARE DEV FOR IT CONSULTING COMPANY

★★★★★ 5 stars

#### THE CLIENT

INVID, LLC consistently produces high-quality experts who fulfill the project's requirements, satisfying the client. Furthermore, they are a team of excellent communicators who collaborate well with the client. Overall, they are a reliable and dedicated team, allowing for a smooth partnership.  
- Senior Director, IT Consulting Company

#### THE PROJECT

We served as the full-stack development partner of an IT consulting company. We mainly work within the Java technology stack. The team also provides data analysis and UI visualizations.

### FRONT-END DEVELOPMENT FOR GLOBAL HEALTH NONPROFIT TASK FORCE

★★★★★ 5 stars

#### THE CLIENT

INVID delivered high-quality front-end development work that significantly enhanced the platform overall. Their team was highly flexible and responsive to client needs and was proactive, responsive, and easy to work with from start to finish. They acted in the best interests of the organization.  
- Project Manager, Public Health Informatics Institute.

#### THE PROJECT

We developed the front-end of a web portal using Angular 5, HTML, CSS, and Bootstrap. The platform allows patients to order and view lab test results.

## OUR TRUSTED CLIENTS

## THE NEARSHORE ADVANTAGE

### MADE IN USA LABEL

Products from Puerto Rico qualify as "Made in USA," allowing businesses to market under this label while meeting federal standards.

### PROTECTIONS UNDER FEDERAL LAW

The laws and federal protections cover everything produced on the island, so your IP is protected by copyright and federal patent laws.

### WORKFORCE

Our team is highly educated, bilingual, and has extensive knowledge of U.S. and international regulations, gained from attending the island's top universities.

### LOCATION

The geographical location of Puerto Rico is perfect for "nearshoring." The island is only four hours away from most U.S. cities on the East Coast.
